

How to reach Amphi BESSON at SIMAP laboratory  
(1130 rue de la Piscine, St Martin D'Herès)

Take the tramway Line "B" (green line on the map)  
(For example from Main station of Grenoble)

In to the direction « Gières Plaine des sports »

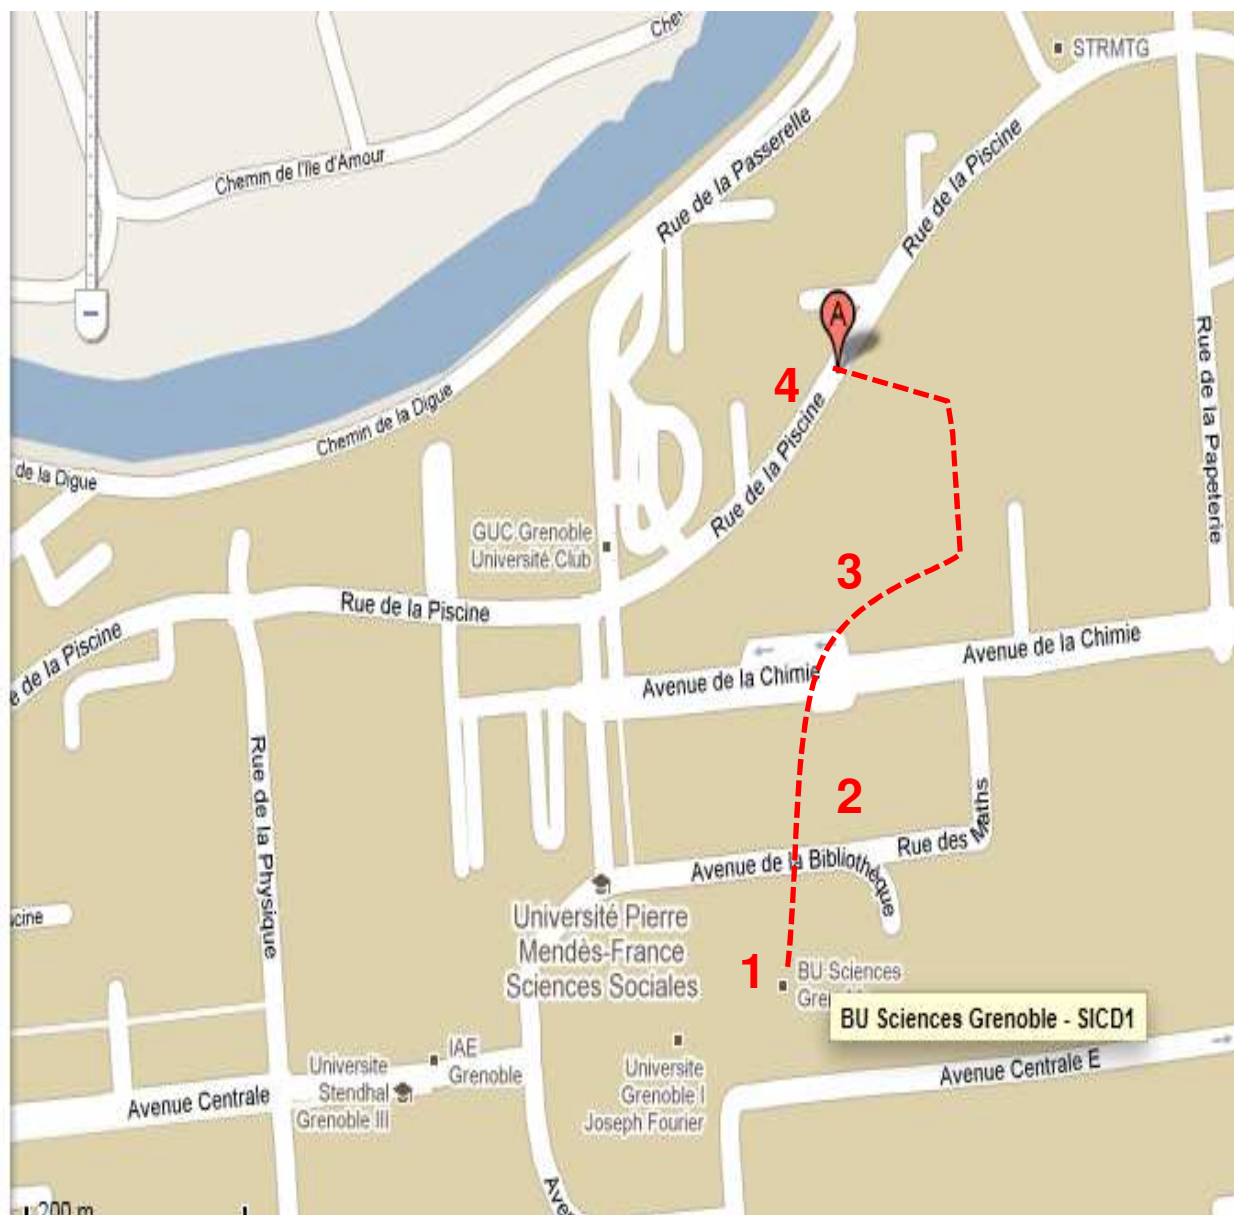

You must stop to the Station: "*Bibliothèque Universitaire*"

More informations about the tramway :

<http://en.tag.fr/>

## How to reach SIMAP lab from tramway station "Bibliothèque Universitaire":

1. From the left side of the tramway station, take the path between the buildings
2. Keep this path until you meet the street « Avenue de la Chimie »
3. Cross the street by keeping the same path and look in front of you to see the building of « PHELMA -Grenoble-IMP ».
4. The SIMAP laboratory is in the building which is linked with this one « Bat.Recherche » (left side of « PHELMA -Grenoble-IMP ») but the entrance is in the back side. See the details on the next page
